

Hey Local Artisan!

In case you haven't heard, the Squeal on the Eel Festival is looking for local vendors to come and be a part of this inaugural event. Squeal on the Eel is all about giving back to the community, and we would love it if you would join our team.

We are looking for local artisans, vendors, and creative people to join us for our 2nd Annual festival on **June 17th at Riverside Park in Logansport**, by setting up a booth and selling your wares. You keep what you earn, and all we ask is a \$60 deposit that will go towards local charities.

If this is something you are interested in, you can fill out the back of this form and return it via mail, or you can register online at www.squealontheeel.org. If you have questions, please let us know! **We would love to have you be a part of the festival!**

**** All forms need turned in by April 30th to ensure that you have a space at our 2nd Annual Squeal on the Eel.**
